THE SKY connecting students with the CALLS opportunity to explore a wide TO variety of aviation careers US

Camp Information.

Summer camps are limited to 30 students per camp.

Offered to high school students entering 10th, 11th, and 12th grade and recent high school graduates. Students entering 9th grade are welcome to apply, but may not be selected.

Tuition changes each year based on our programming, lodging, and transportation costs. Visit our website for this year's current tuition price.

A student's tuition includes a single-occupancy lodging quarter, shared ensuite bathroom, transportation, individual flights, food, and tour admissions while the student is attending camp.

Please Note: Airfare to Minneapolis and souvenirs are the students' responsibility.

Financial Aid is available.
